NEW ADDRESS: Rt. 7, Frederick, Md. 21701

12/28/67

Dear Mr. Sorensen;

Thanks for your kind note.

Your books have gone, although this may reach you first.

I am happy with the reception I got in your area. If you think about it, perhaps you will agree that those unreasonable callers tend to put the whole story in clearer perspective, because they show how unreasoning the other side really is.

There is a chance I may be in your area for some speeches. I hope so.

Bob was very nice. You people are fortunate to have a man as fair-minded putting on a talk show.

Best regards,

Harold Weisberg
